Or email : [admin@creationscience.org.au](mailto:admin@creationscience.org.au)

Thank you.

There are no individual entry fees for each entry. **However schools, families of home schoolers, and churches are invited to make a donation** to the Creation Science Education Association of Australia to cover all entries from each institution, family or church, to help meet the costs of conducting the competitions. We are a non-profit making, volunteer organisation, dependent entirely on donations. The size of a donation is left to the discretion of the donor. Receipts are issued.

The Creation Science Education Association of Australia reserves the right to keep and / or copy any entries, and to use entries or part thereof, giving due recognition of authorship, for the purposes of pursuing the goals and objectives of the Association, which are set out on membership application forms.

Entries may be returned to entrants upon request and / or when the Assn has no further need of them. Although care will be taken, it might not be possible to return all entries in the condition in which they were sent.

Students are welcome to enter more than one category of competition. Participant of the Year awards are made to encourage students to enter as many categories of competition as they are able.
